Dumpster Fire

03/01/2024

Auburn Hills Fire Department was called for a trailer on fire on the shoulder of M59 near I75. A truck was hauling a large dumpster full of construction materials that had caught fire. Firefighters used a combination of 700 gallons of water and foam to completely extinguish the fire. The pickup truck had no fire damage, but the sides of the dumpster displayed heat damage. The crew had to remove a large amount of debris from the dumpster to ensure the fire was completely out. The driver of the truck cleaned the debris from the side of the road.

Firefighter of the Year

03/03/2024

Nolan Taylor was selected as the American Legion Post's Firefighter of the Year. Firefighter-Paramedic Taylor joined the department as a part-time firefighter in May 2018 after obtaining his Firefighter II and EMT certifications. In 2019 he completed his paramedic training and was promoted to full-time staff. FF Taylor is known for his strong work ethic, professionalism, and drive to make himself and others around him better. Nolan has completed additional training which includes Fire Instructor I and Fire Officer II certifications. FF Taylor exhibits leadership abilities far beyond his years of experience and is expected to be an important part of the department's long-term succession plan.

Mutual Aid Structure Fire

Bunny Bash

03/23/2024

The City of Auburn Hills hosted its annual Bunny Bash on March 23rd. The fire department was in attendance, with one of our fire inspectors playing a very important role! It was another very successful and fun event presented by the city.
