## Benevolent Association Golf Outing

9/09/2024

Over 180 golfers teed up to support the annual Auburn Hills Police and Fire Departments Benevolent Association Golf Outing. This charitable organization is dedicated to helping families of first responders who have given their life or suffered critical injuries while assisting others. The organization was established to provide immediate financial help to the family of one of our own members, in the unfortunate event a tragedy should occur. The popular and fun outing is the largest fundraiser for the organization.

## Fire Truck Pull

9/25/2024

Oakland University Recreation and Well-Being department hosted its second annual Fire Truck Pull Event, benefitting the Golden Grizzlies Pantry. The Golden Grizzlies Pantry provides food and community resources to students through the Student Emergency Relief Fund. Participants are asked to bring a donation for items that are in greatest demand, such as canned goods, microwaveable meals, and hygiene products. Teams of five work together to pull a 55,000-pound ladder truck a distance of 75 feet, using a rope, in the fastest time possible. This year's collections total 104.25 lbs. of food for the pantry. AHFD is proud to partner with OU in this helpful endeavor.
