ICS-300 and 400

3/27/2025

AHFD teamed with Oakland County Emergency Management-Homeland Security to lead an Incident Command System for Expanding Incidents Course, or ICS-300. Participants from the City of Auburn Hills, as well as local fire departments and law enforcement agencies followed FEMA curriculum for effective management during a large-scale emergency. A mass casualty incident was simulated as students took on various roles in order to mitigate and manage the crisis. In April, the same team taught ICS-400 to students interested in enhancing their knowledge on incident command for a complex and expanding incident.

Bunny Bash

4/12/2025

The City of Auburn Hills hosted its 3rd Annual Bunny Bash on April 12th.

This popular event drew approximately 300 children and parents to the Den to meet the Easter Bunny and collect treats, plushies and photos.

Residential Structure Fire

4/15/2025

A-shift was dispatched to a residential structure fire. Upon arrival no smoke or flames showing, but the crew made entry to find a light haze and the smell of electrical burning. Firefighters searched and found a laptop plugged in with signs of battery overload, bubbling and burned residue on the glass dining room table. The laptop was moved outside, and the house was ventilated. No injuries were reported.

Vehicle Fire

4/24/2025

A-Shift was called to an early morning vehicle fire on I-75 and Joslyn. The crew arrived to find an SUV with flames showing from the front and interior of the vehicle. Engine 3 personnel immediately extinguished the flames. No injuries were reported.

Take Your Child to Work Day

4/24/2025

Auburn Hills participated in Take Your Child to Work Day, during which several participants brought their children to work to see how various departments operate. The Fire

Department entertained the kids by showing them the equipment on the fire truck and letting them try their hand at knocking down cones with a fire hose. It was a fun and exciting day for all!
