FALL 2025 · VOLUME 34

FROM THE MAYOR

I hope each of you had a fantastic summer! It was truly a joy to see so many familiar faces and to meet new residents at our community events, from the Paddlepalooza river event to the lively downtown Summerfest or the always-popular Friday Night Music Series at Riverside Park. A standout moment was the

dedication and ribbon-cutting of our new Public Square in the heart of downtown Auburn Hills. It's located exactly where the original Public Square was located way back in 1896 when this area was known as Amy, within Pontiac Township – now it's a new and modern version that honors our past while looking to the future. The new Auburn Hills Public Square is something we can all look forward to enjoying for many years to come – check it out soon!

Even with cooler weather approaching, our city calendar is still brimming with exciting activities! Don't miss the Jazz & Blues Concert Series at the Knight Amphitheater in September. And be sure to mark your calendars for Downtown Sips & Sounds, formerly known as SeptemBEERfest, on September 19th at Riverside Park, which now features wine and spirits alongside beer, live entertainment, and food trucks. Families, get ready for two beloved fall traditions: the 27th Annual Fall Festival at Hawk Woods on October 4th and the 20th Annual Downtown Spooktacular on October 25th. To kick off the holiday season, join us for the 32nd Annual Tree Lighting downtown on December 5th.

As City Council prepares for 2026, I encourage all residents to attend a council meeting in person or watch a recorded version online. It remains a true honor to serve this incredible community as your Mayor, and I look forward to seeing you out and about this fall!

A handwritten signature in black ink, reading "B. Marzolf".

FIRE DEPARTMENT **UTILITY VEHICLE** TO ENHANCE EMERGENCY RESPONSE

The Auburn Hills Fire Department has expanded its emergency response capabilities with the recent purchase of a Kubota RTV-X1100 utility vehicle. This versatile and rugged Utility Terrain Vehicle (UTV) is designed to assist firefighters and paramedics during special events, off-road emergencies, and severe weather situations.

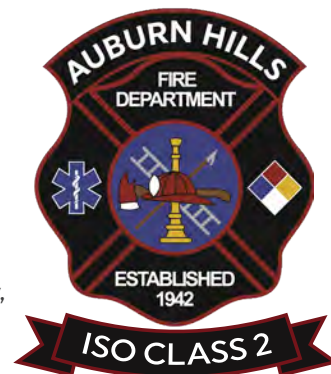

The UTV offers a fully enclosed cab, four-wheel drive, and a strong suspension system. It will be paired with the department's new multi-purpose skid unit to carry essential firefighting and medical equipment into areas that are difficult to reach with larger fire apparatus.

The skid unit incorporates a 50-gallon water tank, high-pressure pump, hose reel, and storage for essential firefighting tools and emergency medical equipment. It is ideal for fighting small brush fires, managing outdoor events, and providing support in our parks, trails, and wooded areas.

Community Benefits:

- **Improved Access:** Allows firefighters to respond more effectively in areas with limited access, such as crowded downtown events, parks, trails, and wooded spaces.
- **Faster, Safer Response:** Helps shorten response times and improves safety for both residents and first responders. Ideal for large public gatherings, providing a quick-response presence without obstructing foot traffic or crowd movement.
- **Versatile Use:** Supports fire suppression and emergency medical response in challenging environments and terrain where larger fire apparatus cannot.
- **Increased Safety:** Helps protect community members and property by enabling rapid containment of small fires before they grow.

Don't be surprised if you see this new unit at events throughout the year in the City. Come say, "hello," if you do!

MOSQUITO SMARTS KNOW THE BUZZ ABOUT MOSQUITO BITES

The City of Auburn Hills and Oakland County residents are urged to follow prevention tips to protect themselves from mosquito-borne diseases. Some diseases that are spread by mosquitoes include West Nile virus, Zika virus, St. Louis Encephalitis (SLE), Eastern Equine Encephalitis (EEE), and LaCrosse (LAC) virus. The best way to prevent diseases spread by mosquitoes is to avoid being bitten.

FOLLOW THESE TIPS TO PROTECT YOU AND YOUR FAMILY:

PREVENT MOSQUITO BITES

- Use Environmental Protection Agency (EPA)-registered insect repellent. All EPA-registered insect repellents are evaluated for safety and effectiveness.
- Always follow the product label instructions.
- Do not use insect repellent on babies younger than two months of age.
- Do not apply insect repellent on a child's hands, eyes, mouth, cut or irritated skin.
- Adults: spray insect repellent on your hands and then apply to a child's face.
- Wear protective clothing such as long-sleeved shirts and pants.
- Avoid areas where mosquitoes may be present, including indoor areas.

CONTROL MOSQUITOES AT HOME

- Maintain window and door screens to keep mosquitoes out of buildings. Do not prop open doors.
- Get rid of mosquito breeding sites by removing standing water in and around your home.
- Once a week, empty and scrub, turn over, cover, or throw out items that hold water, such as tires, buckets, planters, toys, pools, birdbaths, flowerpots, roof gutters, or trash containers.

Branches up to three inches in diameter and four feet in length can be bundled together if the bundles are less than 18 inches around and less than 100 pounds.

2025 WATER QUALITY REPORT

The Auburn Hills Department of Public Works is required to publish an annual Water Quality Report. This report contains details regarding the quality of your drinking water as well as helpful tips in conservation of water.

We encourage you to review this report as it provides lots of valuable information.

If you would like a printed copy of the Auburn Hills 2025 Water Quality Community Confidence Report mailed to your home, please call 248-391-3777 or email dpw@auburnhills.org.

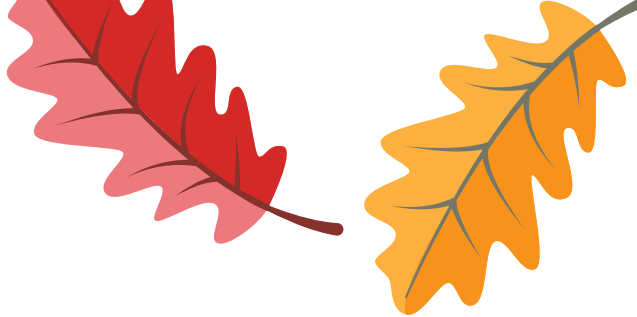

2025 HAZARDOUS WASTE DAY

For one day a year, the Department of Public Works (DPW) partners with a company that specializes in the proper recycling, treatment and/or disposal of hazardous waste. The event is held exclusively for Auburn Hills residents (with proof of residency) at the DPW off Brown Road. This year's event was held on May 10th and was a huge success.

In total, we had residents deliver over 28,227 pounds of hazardous waste! The most common materials that were dropped off were electronic devices (16,930 pounds), household batteries (2,568 pounds), automotive fluids (2,581 pounds), toxic products (1,529 pounds), and oil-based paints and solvents (1,000 pounds). Pesticides (560 pounds), pharmaceuticals (60 pounds), propane and fire extinguishers (852 pounds), fluorescent light bulbs (485 pounds), and aerosols (370 pounds) were also dropped off, among other items.

The next Household Hazardous Waste Day will happen sometime in Spring 2026. Once the exact date is determined, the DPW will publish the date on the City's website. The information will also be shared on social media and the insert that accompanies the utility bill that is distributed the month prior to the event.

Thank you for doing your part in protecting our water supply, air, and soil by properly disposing of hazardous waste.

LEAF BURNING PROHIBITED

EFFECTIVE JUNE 1, 2025

On Monday evening, March 17, 2025, City Council adopted an ordinance prohibiting the burning of yard waste within city limits. The ordinance became effective on June 1, 2025.

This initiative is driven by our commitment to:

- **Improving Air Quality:** Leaf burning releases harmful pollutants into the air, impacting respiratory health and overall well-being. Leaf smoke can irritate the lungs and trigger asthma attacks, especially for children and seniors.
- **Protecting the Environment:** Smoke from leaf burning contributes to air pollution and can negatively impact local ecosystems.
- **Ensuring Compliance with State Law:** Michigan State Law prohibits the open burning of yard waste or leaves in any municipality having a population of 7,500 or more (MCL Section 324.11539).

As a reminder, our contracted waste hauling service, Priority Waste, provides curbside leaf collection weekly from April 1 through the second full week of December. Residents may use paper yard waste bags or containers up to 95 gallons in capacity with a proper sticker facing the street (100-pound weight limit). Other alternatives to open burning include composting leaves and grass clippings, or using leaves and grass clippings for mulch.

If you are a senior citizen or disabled homeowner who needs help raking leaves, volunteers in our Rake and Run program will clean and rake yards for eligible residents, as volunteer availability allows. Call (248) 370-9353 to have your name placed on an interest list.

While the city is taking steps to eliminate leaf burning for improved air quality, it's important to note that recreational outdoor wood burning will still be permitted under specific guidelines. These regulations ensure safety by requiring wood burning to take place in approved units like fire pits or chimineas with dry and seasoned firewood. Scan the QR code below or visit auburnhills.org/outdoorburning to view the full guidelines.

2025 AUBURN HILLS RIVER DAY FISHING DERBY

A RIVER DAY CELEBRATION

On Saturday, June 14, 114 junior anglers and their families gathered at Riverside Park for the annual Auburn Hills Fishing Derby, part of the Clinton River Watershed Council's River Day celebration.

Despite the enthusiasm and perfect early-summer weather, the fish proved elusive this year. Still, spirits remained high, and kids enjoyed casting their lines into the Clinton River. The City once again stocked the river with rainbow trout for the derby. Volunteers from Clinton Valley Trout Unlimited and the Detroit Area Steelheaders supported the event by helping the kids bait their hooks and remove fish from the lines for release back into the river.

The event wrapped up with a raffle, where many participants took home prizes including tackle boxes, fishing nets, hats, cheese puffs, and over 60 slightly used rod-and-reel combos donated by Bass Pro Shops Outdoor World.

If you missed the derby, there are still plenty of fish and time to test your fishing skills in Downtown Auburn Hills at Riverside Park and River Woods Park.

HOME + YARD PROGRAMS

AUBURN HILLS SPRING & FALL RAKE & RUN PROGRAMS

Are you finding it more difficult to get out and rake your yard to get it ready for spring? If you are a senior citizen or disabled homeowner who needs help in raking leaves, we may be able to help. Volunteers will clean and rake yards for eligible residents. Call 248-370-9353 to have your name placed on an interest list. Please keep in mind we can only do as many yards as we have volunteers.

VOLUNTEER

Volunteering is an investment in your community and the City of Auburn Hills has numerous ways to invest in the community you live, work, and play in. Even if you can only donate an hour of your time, no amount is too small. We have opportunities for individuals, families, and students. Contact the Community Center at 248-370-9353 for more information or email Elaine at eevans@auburnhills.org. Please note: All volunteers are required to pass a background check.

SPECIAL EVENTS

Are you interested in joining in on all the fun that goes on in the city? Bunny Bash, Summerfest, Paddlepalooza, Fall Fest, the Tree Lighting Ceremony, and more! Help us out behind the scenes because these events can't happen without volunteers.

SPRING & FALL RAKE AND RUN

Want to make a difference in a day? Volunteers are needed to help seniors clean up yards. Rakes and yard waste bags will be provided. Great opportunity for groups and families.

MEALS ON WHEELS DRIVERS NEEDED FOR DAYTIME DELIVERIES

Meals on Wheels provides daily nutritious meals, Monday through Friday, to homebound seniors with the bonus of a quick check-in and much-needed human connection that comes with each delivery. Different routes are available. Scheduling is easy and flexible. This is a great opportunity for families, students, civic groups, churches, businesses, employees, and retirees to help.

MEAL PACKERS AND SERVERS NEEDED

Many hands are needed in our kitchen for our Nutrition Program. Meals are packaged at the Community Center Monday through Friday for our homebound seniors. Volunteers are also needed for serving site meals and clean up.

SENIOR PARTY VOLUNTEERS

Are you looking to give back and have a good time all at once? Our senior parties offer the seniors time to socialize, have a good meal, and enjoy entertainment. You can enjoy those benefits while helping the community center. We need help with set up, meal serving, and clean up.

FILL-INS NEEDED

We appreciate our volunteers that come in but there are times when they cannot be available. If you want to volunteer but don't have a specific schedule, be on our substitute call list for meal packing and Meals on Wheels delivery.

SHARP

Volunteers are needed for Senior Home Assistance Repair Program (SHARP). The SHARP program provides home repair to senior and disabled residents. The labor is free; the homeowner pays for the cost of the materials. Trained volunteers will provide miscellaneous home repairs and maintenance.

AARP VOLUNTEER TAX PREPARERS NEEDED

Do you enjoy helping people? Are you good with numbers and have some basic computer skills? The tax season is just around the corner and our local AARP Tax-Aide Program is seeking volunteer Tax counselors to provide free personal income tax preparation for seniors and low-middle income taxpayers. Training takes place in December and January. Tax preparation is done during February through mid-April and occurs 1-2 days a week. We are also recruiting for Client Facilitators who staff the "front desk" at our sites to meet and greet customers and perform limited initial screening (but do not prepare tax returns). If interested in this rewarding volunteer opportunity, visit aarpfoundation.org/taxaide, or call 1-888-OUR-AARP (1-888-687-2277) for more information.

OTHER VOLUNTEER OPPORTUNITIES

Even if your availability or interests do not fall into these categories, you can still help. We always have a need for friendly volunteers for a wide variety of things. If you are interested in volunteering at your convenience, we constantly have a need for individuals or groups to help with getting the word out on services or programs that are offered. If you have a calling to give back, don't let it go to waste. Stop by the community center and talk to our volunteer services specialist to see where you best fit!

MESSAGE FROM THE DIRECTOR

Throughout March 2025, the Auburn Hills Public Library invited community members to complete a survey as part of the development of our new strategic plan. This plan will guide our services, programs, and initiatives for the coming years and thanks to your participation, it's being built with your voices at the center.

We're incredibly grateful for the amazing response we received. A total of 394 patrons took the time to share thoughtful feedback and suggestions about the Library's future plans. In addition, 35 community members participated in focus groups or one-on-one interviews, offering deeper insights into how both the Library and the City of Auburn Hills can continue to grow and improve.

While the final report is still in progress, we're excited to share that nearly all respondents emphasized the Library's value as a vital part of our community. We wholeheartedly agree.

Stay tuned; soon we'll be posting the final draft of our strategic plan on our website. It reflects your input, and we can't wait to share what is next.
