Benevolent Golf Outing

9/8/2025

The 2025 Annual Police and Fire Benevolent Golf Outing was a huge success. Over 180 golfers teed up to support the annual Auburn Hills Police and Fire Departments Benevolent Association Golf Outing. This charitable

organization is dedicated to helping families of first responders who have given their life or suffered critical injuries while assisting others. The organization was established to provide immediate financial help to the family of one of our own members, in the unfortunate event a tragedy should occur. The popular and fun outing is the largest fundraiser for the organization.

Commercial Fire

9/20/2025

A-shift was called to a commercial fire alarm on Opdyke. Engine 3 arrived on scene to discover offices full of smoke and smoke exiting from exterior doors. Firefighters gained entry into the building to find the fire confined to a single office. The sprinkler system kept the fire from escalating, and the extinguishers, carried by the crew, completely quenched the fire. The origin of the fire was a crate of lithium ion batteries that were being tested, but the cause remains undetermined.

Residential Fire

9/21/2025

Auburn Hills Fire Department's A-shift responded to a call for a structure fire. Upon arrival, crews found a working fire in the garage of a multi-family condo that had extended into the second floor of the home. Ladder 2 started the fire attack, then entered the condo to continue battling the blaze on the second floor.

-CONTINUED-

Engine 3, Rochester Hills and Rochester City Fire Departments arrived to assist with the fire attack. Rescue 1 arrived to assist with salvage and overhaul of the garage. Rescue 3 began ventilating and Inspector Toss arrived to investigate the origin and cause, which, at the time, remains undetermined.
