## Commercial Fire

11/11/2025

B Shift was dispatched for Mutual Aid to a commercial fire at a storage unit in Rochester Hills. They joined over 50 other firefighters from neighboring departments to battle the enormous blaze. Crews fought for 8 hours before finally extinguishing the inferno. The fire caused significant damage to the storage facility, but no injuries were reported. The cause of the fire is under investigation.

## Apartment Fire

11/19/2025

C-Shift responded to a reported structure fire. It was a suspected grease fire in the kitchen of a 2 story apartment building. Upon arrival, the firefighters found a working fire with heavy smoke coming from an open door. Firefighters were able to contain the fire to the kitchen. Ladder 2 crew were able to enter the unit once water had knocked down the fire. Significant smoke damage was noted throughout and a cat was found deceased, but no other injuries were reported.

## Residential Fire

11/21/2025

B-shift responded to reports of a residential fire. Crews arrived to find black smoke coming from the front door and a fire in the kitchen of the townhome. Engine 3 firefighters stretched a cross-lay through the home, into the kitchen and knocked down the fire. During ventilation and overhaul, a second fire was discovered in the basement. Engine 3 personnel carried the hose down the stairs and extinguished that fire. The resident was treated and transported for smoke inhalation. There were no other injuries reported. Investigators from Oakland County and Auburn Hills Fire Department, along with a detective from Auburn Hills Police department were called to determine the cause and origin of the fires. It was determined that an electric bike lithium-ion battery exploded in the kitchen and the fragments caught clothing in a laundry basket on fire in the basement. This serves as a reminder that residents must be mindful of lithium-ion battery dangers and the importance of proper storage.

## Swear In Ceremony

11/24/2025

Auburn Hills Fire Department is pleased to announce the promotion of Bryan Shambeck to Captain. Captain Shambeck is a firefighter/paramedic who has been with the department for 14 years. He was promoted to Lieutenant in 2020 and has served as EMS coordinator, SBCA technician, turnout gear quartermaster, helped develop the department's Field Training Officer process and participated on the apparatus committee. He has also managed large purchases as LUCAS CPR devices, cardiac monitors, extrication equipment and CPR training manikins. Please join us in congratulating Captain Shambeck on his promotion!
