**City of Auburn Hills Millage for Fire Protection, and Emergency Medical, and Advanced Life Support**

Shall the City of Auburn Hills impose a new millage on taxable property of up to 4.00 mills (\$4.00 per \$1,000 of state taxable value) without limitation as to duration, as authorized and approved by the City of Auburn Hills Amended Charter, which is proposed to replace the currently levied 2.49 mills, for the purpose of providing funds for operations and capital expenses for Fire Protection, Emergency Medical Services (EMS), and Advanced Life Support (ALS) services for the City of Auburn Hills?

If approved, the new millage shall be levied in lieu of and to replace the previously voted millage, for operations and capital expenses for fire protection, which, after the required rollback, last resulted in a levy of 2.49 mills. The new millage of 4.00 mills will commence in 2027 and continue each year thereafter. It is estimated that this millage will raise approximately \$8,894,659.00 in its first year if approved and levied. A property with a taxable value of \$100,000 would be taxed up to \$400.00 for the millage. If the proposed new millage is not approved by the voters, the millage currently levied at 2.49 mills, and approved at 2.50 mills by voters in 2016, shall remain in effect and continue to be levied. By operation of Michigan law, a portion of the millage revenue may be captured and disbursed to the following local units of government authorized to receive tax increment revenues: The Auburn Hills Downtown Development Authority, The Auburn Hills Tax Increment Finance Authority, and The City of Auburn Hills Brownfield Redevelopment Authority.
