9/11 Remembrance

9/11/2026

The Auburn Hills Fire Department joined the Auburn Hills Police Department for a remembrance service in front of the Public Safety building followed by a visit

to Stellantis headquarters for their sixth annual 9/11 Remembrance Ruck March, commemorating the 25th anniversary of the September 11 terrorist attacks. Members of both departments participated in the opening Honor Guard ceremony in support of the Stellantis Veterans Group and its efforts to honor military personnel, veterans, and first responders. The event drew more than 500 registered participants and featured a 2.2-mile ruck march around the Chrysler Technology Center test track. Participants also donated hundreds of backpacks filled with essential supplies to support veterans in need throughout the community.

Golf Outing

9/14/2026

The Auburn Hills Police and Fire Benevolent Association held their annual golf outing on September 14. This charitable organization is dedicated to helping families of first responders who have given their life or suffered critical injuries while assisting others. The organization was established to provide immediate financial help to the family of one of our own members, in the unfortunate event a tragedy should occur. The popular and fun outing is the largest fundraiser for the organization. The Association would like to thank all who participated, volunteered, and helped in any way to make this a successful endeavor.

Special Delivery

9/18/2026

A Shift was toned for a pregnant patient whose water broke and was in the beginning stages of labor. Crews arrived to find a woman in active labor. She was loaded on to the stretcher and transported to the hospital. While enroute, a healthy baby boy was delivered. Both patients safely arrived at the hospital for further monitoring.

Fire Truck Pull

9/23/2026

AHFD once again partnered with Oakland University in their annual Fire Truck Pull Event. This event is intended to raise awareness of the Oakland University Golden Grizzlies Pantry, which provides food assistance to students. Participants bring food donations to the pantry in exchange for attempting to pull a fire truck. 90lbs of food was donated to the pantry this year!
